

Investor Information

Banca Transilvania informs its investors that on February 16th 2017 the Conference call - presentation of 2016 preliminary financial results for investors, hedge fund managers and analysts is scheduled.

Banca Transilvania SA invites all interested shareholders to access the audio recording of the teleconference, uploaded on the bank's website within 24 hours of conclusion of the conference call. Interested shareholders may access the file through a user and password to be received after completing the steps below.

We kindly ask shareholders to send a access request for the recording of the teleconference to the following e-mail: investor.relations@bancatransilvania.ro.

Requests must contain identification data of shareholders – natural persons and companies.

Shareholders-companies must annex a proof of legal representation of the actual requester. After we have verified the shareholder status, the bank will send the requester the access information for the audio file mentioned above.

Banca Transilvania SA reserves the right to request further information and/or to reject any request from a party who is not a shareholder and whose shareholder status cannot be verified based on the internal registries of the bank.
